DAILY C-500™ is designed to provide Vitamin C with a Complete Active Range™ of all food compounds to maintain optimal white blood cell production and antioxidant protection*.

DAILY C-500™ is created by skillfully combining Vitamin C with complementary foods such as oranges, lemons, and green peppers. These foods are naturally rich in beneficial food compounds such as bioflavonoids[†], hesperidin, and rutin which are known to enhance the body's ability to absorb and utilize Vitamin C. Current research has also identified food compounds to have several significant health-promoting roles in the body acting as powerful antioxidants, detoxifiers and immune stimulators*.

* Food extract with potency up to 50 times their actual weight.
